Patient chart

ALLERGY: Penicillin shown on every screen

DATE	FROM	ALLERGY NOTES
Oct 2, 2026	Physician	Allergy test negative
Mar 2024	Other clinic	Penicillin allergy (copied)
Jun 2019	Front desk	Patient: “rash as a child”

Is she allergic to penicillin? The banner says yes. To learn it was ruled out, someone has to read every note.

Today: the old allergy stays, and nothing says what replaced it.

Care Assistant

Is she allergic to penicillin?

No. A physician ruled it out with an allergy test on Oct 2, 2026.

ASSERTION

Physician, Oct 2, 2026: not allergic (allergy test)

SUPERSEDES

~~Front desk, 2019: penicillin allergy~~
~~Other clinic, 2024: penicillin allergy (copied)~~

With TRIAD: every assertion has an author, and supersedes the ones it replaces.
